INSTALLATION INSTRUCTIONS

PLEASE READ ALL INSTRUCTIONS BEFORE PROCEEDING WITH INSTALLATION

WARNING: When using outdoor portable luminaires, basic safety precautions should always be followed to reduce the risk of fire, electric shock, and personal injury, including the following:

- Use only three-wire outdoor extension cords that have three-prong grounding plugs and grounding receptacles that accept the appliance's plug.
- When used in wet locations Ground Fault Circuit Interrupter (GFCI) protection is to be provided on the circuit(s) or outlets(s) to be used for the luminaire. Receptacles are available having built-in GFCI protection and are able to be used for this measure of safety.
- Use only with an extension cord for outdoor use, such as an extension cord of cord type SJOW, SJOW-A, SJTW, SJTW-A, or SJTOW, SJTOW-A.

Retrofitting an Installed Dock Arm with the LED docklite® Head

1. Disconnect all power to existing dock light.
2. Remove existing dock light from dock arm. Save mounting hardware.
3. Attach new *docklite*® head to dock arm, utilizing the 1/2" clearance hole located on the bracket and mounting hardware that you saved from step #2. See illustration at left.
4. Install the male plug from the light head into the female receptacle in the arm assembly.
5. Restore power and position light in desired location.

THREE YEAR PRODUCTS WARRANTY -- (Limited Type)

Phoenix Products Company, Inc., warrants its products against defects in material and workmanship. Without charge, Phoenix Products Company will either repair or replace (Phoenix Products Company reserves the right to decide between repair or replacement) any properly installed Phoenix Products Company manufactured product which fails under normal operating conditions within three years from the date of invoice, provided it is returned to the factory (after authorization), transportation prepaid, and our inspection determines it to be defective under terms of this warranty.

The warranty covers only equipment manufactured by Phoenix Products Company and does not extend to transportation, installation, or replacement charges at buyer's facility; nor does it apply to any other equipment of another manufacturer used in conjunction with Phoenix Products Company equipment. No other warranty, expressed or implied, exists beyond that included in this statement.
